

1 | Ensure that you are not on a VPN outside of your country. Visit student.cengage.com

2a | If you **do not** have an existing Cengage Account

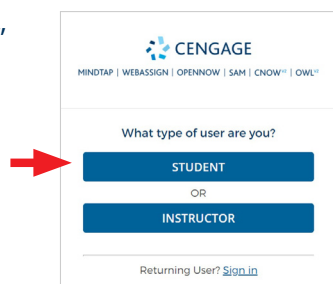

Click **“Create Account”** (go to step 3)

2b | If you **have** an existing Cengage Account

Enter your email, click **“Next”**, then enter your password and Sign in (go to step 10)

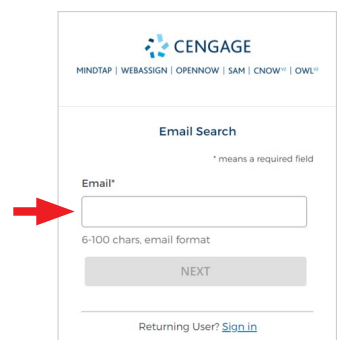

3 | Select **“Student”**

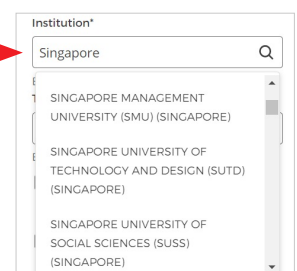

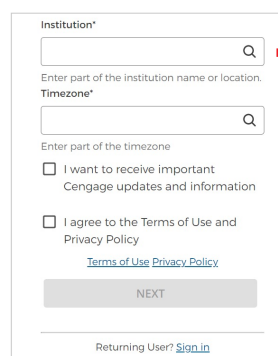

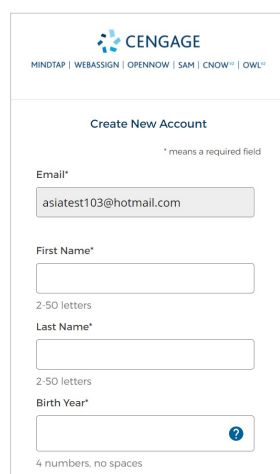

4 | Enter your **email**

Important: You must use a valid email address for account verification.

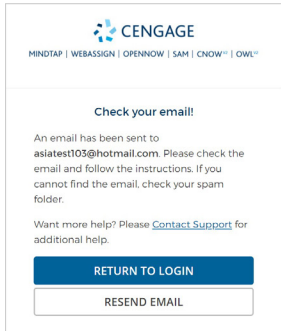

5 | Complete Registration

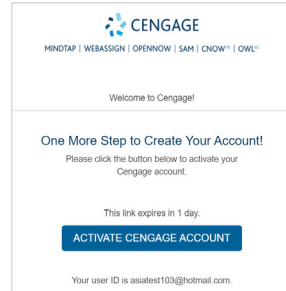

*For institution selection, type the name of your institution and select from the dropdown list.

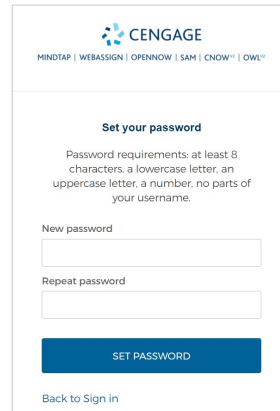

6 | Check your email immediately to activate your account.

7 | Open our welcome email and click on **"Activate Cengage Account"** button. (Email verification expires in 1 day)

8 | Set your Cengage password

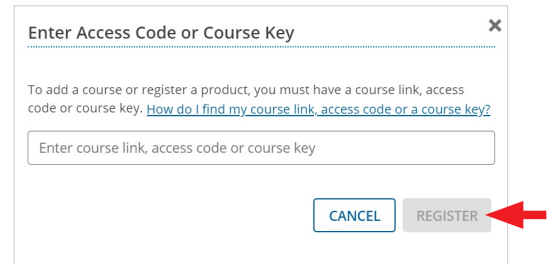

9 | You will be redirected to the Cengage dashboard, where you will activate your courseware and enrol in your course.

10 | This is your student dashboard. Click on **"Enter Access Code or Course Key"**

11 | Enter the access code, then click on **"Register"**

12 | Your courseware will appear on the homepage. Click on it to enrol.

13 | Click on **"Register a course or product"**

14 | Enter the course key given by your instructor, then click on **"Register"**

15 | You have successfully enrolled to your instructor's course. Click on the courseware to enter.
