INTERNATIONAL CAMPUS, ZHEJIANG UNIVERSITY

International Campus Library,
Zhejiang University

READER'S GUIDE

About the Library

Next to the Bell Tower, the library is one of the landmarks of the International Campus, Zhejiang University.

By the northeast side of the Qizhen Lake, it is an elegant third-floor octagonal building, which occupies a land of **9606** square meters, with over **600** seats. The designed collection capacity is around **300,000** and there are about **104,000** books now.

As a branch of the Zhejiang University Library, readers can access paper and e-resources of all the library branches.

Opening Hours: 8:30-22:30 (Mon. to Sun.)

Library Membership

Library membership is given to all registered students and staff of the University. The account is your student or staff ID, and the initial password is the last six numbers of your ID or '9999', or the six numbers of your phone number. You need to activate the library membership by scanning the QR code .

Borrowing Items

Readers can search for books on the library website (<https://lib.intl.zju.edu.cn>), find the items with the call number and borrow and return them in the self-service machine.

Library Rules for Borrowing Items

Readers can borrow 5 to 100 items for 40 days without limit times (up to 999 days), except for being requested.

About Library E-resources

Zhejiang University Library attaches great importance to the construction of online and digital literature resources. Databases have covered all the disciplines by far— 836 literature databases, 2,562,000 Chinese and foreign e-books, 13,259,000 kinds of Chinese and foreign e-journals.

LibGuides

LibGuides is a one-stop resource navigation platform. Teachers and students can access books, journals, databases, conference information, academic frontier disciplines related resources. Scan to get Libguides:

Information Literacy Training

To help teachers and students to understand all kinds of library resources, the library regularly launches a series of lectures on information literacy, covering literature retrieval, software applications, journal submission, literature management, etc.

Book Reservation

Readers can reserve books which are borrowed or shelved in other ZJU libraries. Students, faculty and staff can reserve a maximum of three to thirty books at a time.

Yunyue Reading

'Yun Yue Reading' is one-stop service for book recommendation, ordering and borrowing. The readers recommend the new book from the 'Yun Yue Reading' platform and will receive the book by delivery before library purchase it, which greatly shorten the time for readers to borrow new Chinese books.

Weixue Bookshelf

To better know the needs of readers, the library has set up 'WeiXue' Bookshelf, which displays a great deal of best-selling books, and the books will be regularly updated.

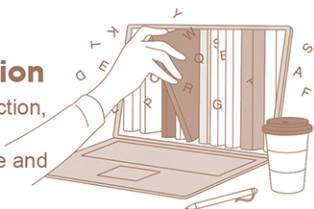

Textbook Service

Textbook Service provided by the library covers textbook purchase, course reserve, online learning platform support, resource service for Course Management System, etc.

Book Recommendation

If books are not available in our collection, readers can recommend them to the library by email, on the library website and at the Information Desk.

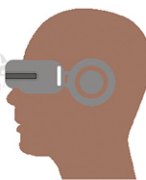

Group Study Room

The library offers you a variety of rooms fitting for a small or large group of people for different purposes such as group study, workshop or training. Users can book a room in advance.

Multi-media Studio

To promote the creativity of teachers and students on the campus and to meet their needs of teamwork in multimedia production, the Multimedia Studio on the third floor is open to the multimedia production team.

iLounge

It's the leisure area in the library for taking a break after busy studying as well as talking with others in a relaxed atmosphere. You can get books, coffee, dessert, snacks, etc.

iLounge: 8:30-22:30 (Mon. to Sun.)

Device Rental Service

Students or faculty can borrow Kindle & iPad from the library for a maximum of seven days.

Public Computers

You can use public computers in the library for library catalog searching and research. You can login with your INTL ID (**@intl.zju.edu.cn).
