

# How to Access Databases through CARSI (Royal Society of Chemistry)

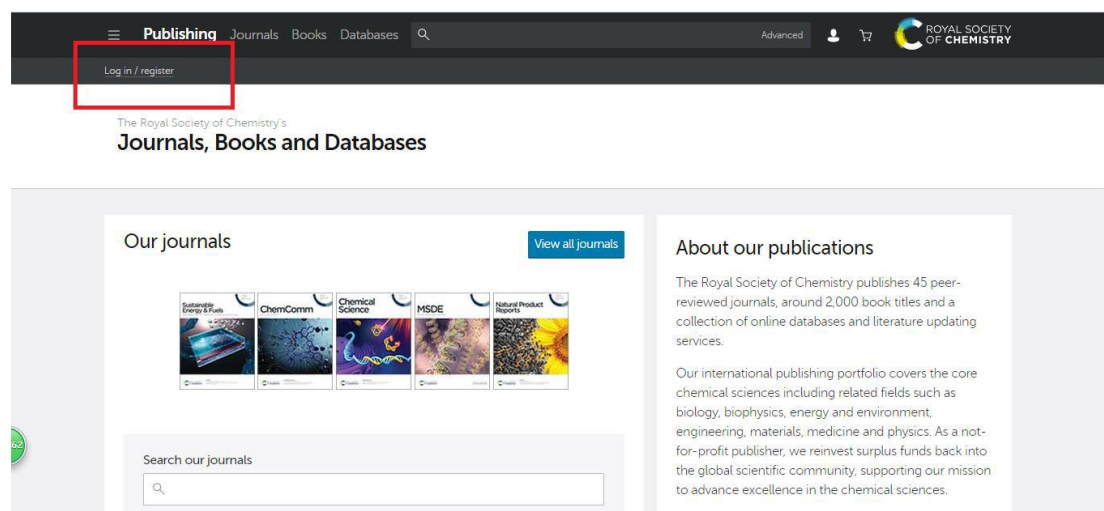

## Access Method 1:

Click [here](#). Login with your INTL ID to access the database.

## Access Method 2:

Use any web browser to access the URL "<https://pubs.rsc.org/>".

- 1、Click "Login" on the upper left of the page. As the web being shown below, click "Find my institution" .

The screenshot shows the top navigation bar of the Royal Society of Chemistry website. The 'Publishing' menu is active, and the 'Log in / register' link is highlighted with a red rectangular box. Below the navigation bar, the page title reads 'The Royal Society of Chemistry's Journals, Books and Databases'. The main content area is divided into two columns. The left column, titled 'Our journals', features a grid of journal covers including 'Sustainable Energy & Fuels', 'ChemComm', 'Chemical Science', 'MSDE', and 'Natural Product Research'. A 'View all journals' button is located to the right of this grid. Below the grid is a search bar labeled 'Search our journals'. The right column, titled 'About our publications', contains text describing the society's publishing portfolio, including 45 peer-reviewed journals and 2,000 book titles.

The screenshot shows the login interface with three main sections:

- Log in with your Member, Subscriber or RSC Select Account:** Includes fields for 'Account username' and 'Account password', a 'Log in' button, and a link to 'Register for a member account'.
- Sign in with your FREE Royal Society of Chemistry publishing personal account:** Includes fields for 'Username' and 'Password', 'Sign in' and 'Forgot Password' links, and a 'Register' link for those without an account.
- Log in via your home institution:** Includes a note about Shibboleth federated identification and a yellow button labeled 'Find my institution >' which is highlighted with a red box.
